BEFORE ORDERING ANY PARTS YOU MUST HAVE THE PROPER SERIAL NUMBER OF THE VEHICLE

Below is a diagram referencing the layout of our Serial number, followed by instructions on how to locate the serial number in the motor home. If the number tags have been removed from the vehicle, please inform the service representative with whom you have placed the order with. In most cases, we can locate the proper serial number using the name the vehicle is registered under.

EXAMPLE: **51 - 2 - T - 30FKD - 00000**

Manufacturing Division	Model Year	Type of Unit	Model # of Unit	Production No.
51 - Travel Trailers	4 = 1994	A - Class A or Bus	Model No. gives the floor	
52 - Class "A" Product	5 = 1995	C - Class C Mini	plan and unit length	
53 - Class "C" Product	6 = 1996	F - Fifth Wheel	30 = 30' unit	
58 - Bus & 5 th Wheels Product	7 = 1997	T - Travel Trailer		
59 - 5 th Wheel Product	8 = 1998			

The serial number can be located in two(2) different places in the Motor Home. The first tag(see illustration 1) will be located on the bottom front road side exterior of the coach.

The second tag(see illustration 2) is located in the overhead storage cabinet next to the microwave opening.
